

CAMPUS VISIT EASY GUIDE

Visiting a college campus helps you get a sense of what a college - and life at that college - is like. This can help you decide whether the college is right for you.

PREPARATION - WHAT'S NEXT?

BEFORE YOU VISIT

Campus visits can be extremely helpful for getting all of the necessary information before applying. Here are a few helpful tips before planning an official campus visit.

STEP 1

RESEARCH

Using one of the free online tools OK Career Guide or OK College Start, take a career interest assessment. Using your results you can cruise the web to find colleges who offer majors related to your career choice.

STEP 2

CONTACT

Find the name of your Admissions Counselor on the admissions website page to schedule a official college visit. (An admissions counselor is a personal counselor assigned to you by the city or town your school is located in.)

STEP 3

SCHEDULE

Be sure to schedule an appointment with your high school counselor after your college visit.

Remember this form must be signed by your admissions counselor as well as attached to your excused absence card to be excused for this visit

EXPLORATION

List your top career choices as well as the major it requires below according to the Career Interest Inventories you have used through OK College Start or OK Career Guide.

1. _____

2. _____

3. _____

4. _____

5. _____

6. _____

7. _____

8. _____

9. _____

10. _____

INVESTIGATION

Below is a list of suggested questions to ask your admissions counselor as well as your tour guide.

1. What are the best reasons to go to this college?

2. What do you do in your free time? On the weekends?

3. What do you love about this college?

4. What do you wish you could change about this college?

5. What is it like to live here?

6. What are the best reasons to go to this college?

7. Do students at this college typically have opportunities to get help from professors outside of class?

8. Can a student be mentored by professors, graduate students, or upperclassmen?

9. What services do you offer that help students find part - time on campus jobs and careers after graduation?

10. What is your current debt-to-income ratio for your graduates?

11. What is the average income of graduates who had the same major that interests me?

12. Will my costs increase when your tuition increases, or can we use the same tuition rate I began with?
