

APRIL/MAY

INDIVIDUAL CAREER ACADEMIC PLAN ACTIVITY TOOLKIT

Graduating high school can be difficult – taking the next step can be even tougher. After high school, many young Oklahomans find themselves without a job or plan to pursue a credential, certification or college degree. The Workforce Innovation Opportunity Act signed into law July 22, 2014 defines this group as Out of School Youth (also known as “Opportunity Youth”) – 16-24-year-olds not in school and with one or more barriers to employment (homelessness, parental responsibilities, disabilities or juvenile or criminal records).

According to the Oklahoma Employment Security Commission, youth 16 to 19 years of age have an unemployment rate of 11.5%, while the state unemployment rate for all ages is 3.2%.

Employment rate for the time frame of August 2018 to July 2019: Statewide, not seasonally adjusted.

Offering community-wide career development events to your students can increase the likelihood that your students will have postsecondary success.

GETTING SET FOR THE SUMMER

Whether your students are preparing for graduation or going to the next grade level, summer can be a perfect time to nail a summer job. The time to start a summer job search is now.

SUPPORT YOUR STUDENTS

Did your students connect with an employer during Career Exposure Week? Did they find an amazing opportunity they just can't ignore? Encourage your students to explore open opportunities for the summer.

Encourage students to update their resumes and conduct mock interviews to begin practicing interview skills with a trusted adult.

CONNECT WITH FAMILIES

Encourage your families to talk with their students about how to speak with employers about job opportunities.

ENGAGE POTENTIAL PARTNERS

Do you have a chamber of commerce leader, local bank branch manager, industry leader or human resource professional who can speak to students about the growing professions in your community? Use this [Sample Business / Community Engagement Letter](#) to reach out to community members and allow them to begin recruiting their future workforce. If it's difficult for you to find someone to visit your school, consider a virtual meeting via Skype, Zoho or a similar platform.

CELEBRATE YOUR STUDENTS!

Share how we're working to prepare Oklahoma kids for the future by using these hashtags: #DreamBiggerOK, #OKDreamBuilders, #OKICAP and #OklaEd.

Spread the news on Facebook at [Oklahoma College and Career Readiness](#) or [Oklahoma State Department of Education](#) and on Twitter at [@oksde](#).
